

## BALI

Your trip to the island can be filled with culture, nature, art, the spiritual, or even better, all of these. An Indonesian paradise that feels like a fantasy. Soak up the sun on a stretch of fine white sand, or commune with the tropical creatures as you dive along coral ridges or the colorful wreck of a WWII war ship. On shore, the lush jungle shelters stone temples and mischievous monkeys. The “artistic capital” of Ubud is the perfect place to see a cultural dance performance, take a batik or silver-smithing workshop, or invigorate your mind and body in a yoga class.

## **Need to Know**

Ubud - More cultured and closer to the island's classical artists' villages, the area also features verdant river valleys and rice terraced landscapes.

**Visas:** Bali does have Visa on Arrival facility for Indians. This visa is valid for up to 30 days stay in Indonesia.

**Best time to Visit:** High season is during the months of July and August, during Easter Holidays, and Christmas / New Year (December till 1st week of January).
